### **CHAPEL RENOVATIONS... GOT SOME IDEAS?**

The Vestry is considering various renovation/repair projects around the church. One possible area is the chapel. As a first step, we want to consider the input from the congregation; particularly those that use this worship space and hear what they think would be appropriate renovations. To that end, I am assembling an ad hoc committee, which will be in effect no more than two months... two or three meetings at most, to outline the possible scope of changes.

Please email me or call me...

- if you would like to join this committee
- if you have some ideas, suggestions for the chapel you would like us to consider.
