Tuesday Evenings: The Path Bible Study

This small group has been meeting since the beginning of August and invites anyone to join us from 6:00 to 7:00 each Tuesday until the middle of March. This Bible study invites participants to read the story and then together make connection with God's Word in their lives today. If interested you may purchase the book from Forward Movement or contact Fr. David and he can give you a copy of the week's reading.

Wednesday Evenings: Disciple Bible Study led by Bob Young and Pat Hampton: This is an ongoing group that began last year and please contact Bob or Pat as to when the group will resume their meetings and the time.

Saturday Morning December 7th, December 21st, January 4th, and January 18th: Gifts for the Spiritual Life: Knowing and Living into our Spiritual Gifts. An important practice for any Christian is to take time to discern their spiritual gifts and to gain confidence is sharing these gifts with others. We will meet from 10:00 to 12:00 on these Saturday mornings and participants will have an opportunity to connect with God and with others as together we will share the many gifts that God had bestowed on each one of us.

Tuesday Evenings Beginning March 24th and Concluding May 26th: Celebrating the Saints

Every year the Episcopal Church celebrates the feast of All Saints on November 1st. Many churches transfer this important feast to the Sunday after the 1st. Our All Saints Celebration always occurs during the Season of Creation. Come and learn about famous and lesser known saints in this curriculum created by Forward Movement. We will meet from 6:00 to 7:00 on Tuesday nights.
