

**CHILDREN'S CHAPEL - PRAYER FOR PEACE**  
**November 15, 2019**

Thanks to the collaboration between Christina Lee, Danny Schweers and Adele Meredith, our Youth created the following prayer last week. Fr. David prayed the prayer at the end of the service:

*Dear God,*

*We believe that Peace is: chicken and a full stomach, time with those who we love, quietness, and everyone happy together.*

*And we ask you to help us to (be able to): get along together, for everyone to be friends, to be nice, and for everyone to care for one another.*

*Amen.*
