

Disciple II Bible Study at SsAM

2017-2018

An opportunity to explore 32 aspects of discipleship and to have them reinforced by Scripture will be offered to parishioners and friends during a Bible Study program beginning this fall. This multi-media approach to small-group study will be conducted in 32 sessions, and daily readings (excluding Sunday) will be encouraged to prepare for weekly discussions that are accompanied by subject-specific videotapes. The current plan is to meet on Wednesdays from 6:00 to 8:00 PM, beginning on September 27th.

Disciple II is a sequel to the very successful Disciple Bible Study cohorts (2) that were conducted about ten years ago, initially led by Alex and Sherri Tyree and subsequently by Judy Gregory. Version II uses as its scriptural base the books of Genesis, Exodus, Luke and Acts.

Please consider joining us for these group sessions. If you have questions or would like to register, please contact Bob Young as soon as practical because Study Manuals (\$20 to participants) need to be ordered and delivered before the start of sessions. I can be reached on 302-383-7580 (cell) or at youngrb66@hotmail.com.
