Guidelines

1. a) High School Graduate. The applicant must be a graduate of an accredited high school and planning to pursue a college education. The applicant must have been accepted by an accredited college (community or four-year college/university). The applicant must have maintained a C+ or above average while in high school.

b) Currently Attending College. An applicant that is currently enrolled in college will need to reapply each year and provide all the information listed in section 6 below.
2. The applicant must be able to prove financial need if called upon. Two possible criteria would be (1) a W-2 form of the highest salary in the household and (2) salary earned by applicant from after school or summer job(s).
3. Emphasis for selection of the scholarship recipient will be based on grades, leadership, character, personality, and initiative.
4. An alternate recipient will be chosen if the winner should withdraw prior to the beginning of the school year. If the student withdraws during the semester that the scholarship has been paid to the school, he/she may be asked to reimburse the scholarship funds provided.
5. Currently, the scholarship program is open only to members or those who attend the Episcopal Church of Ss. Andrew and Matthew. At the present time, the maximum scholarship amount for one year is \$800; the amount may be less if multiple scholarships are given in one year.

If currently enrolled in college, please emphasize how the scholarship has assisted with pursuing your college career.]*
 - e. A copy of the individual's college registration form.
7. A scholarship recipient must acknowledge receipt of the scholarship. Students who do not follow this guideline will not be considered in a succeeding year.
