We pray for Ukraine: God of all creation, we hold the people of Ukraine in our hearts. Protect them from danger, and give them courage, strength, and wisdom to meet the challenges of this moment. May they not despair in their fight for freedom and dignity. Amen.

Prayer for Gaza: Merciful God, be with all the people of Gaza. Shake us out of our complacency and fatigue. Help us to see the horrors unfolding and discern how we can help be the peacemakers as the conflict continues. We pray for all those who have died, for those who face ongoing assaults and desperate hunger and have no access to medical care. We pray for all who have endured hardship after hardship and the lost family, neighbors, homes and land. We fervently pray for an end to the suffering and for a just and durable peace. Amen.
